Secretary's Report

Well another two meetings are over and again a very good entry of 90 plus hounds. We are now at the stage **if you do not pre enter you may not get any runs.** I already have a number of entries for the next four meetings, so you have been warned. **You must be at the venue by 11.00am or you could forfeit your place.** I am thinking that as we have had the four meetings all with 90 plus dogs we may have to stop the lurchers running as they were introduced to make up numbers. They cannot win anything as the Club is set up for KC registered sighthounds, so we may introduce this later. We will have to see how the next two meetings go. Congratulations to the May Best in Field winner, the Whippet of Mr. Jones Masai Warrior and all the class winners and BOB. This also goes for the June meeting where a first time Whippet of Rachel Todd Big Bruva Strykes went BIF.

In the last Newsletter I gave the wrong hound BIF for April it should have been the Saluki of Alison & David Crane's Leila, sorry for that.

We need help setting up the meetings and clearing up and packing away at the end. At the last meeting at 8.30 there was myself, Tracey, John and Ceri, the judge, setting up. We need more to help if we are to start on time

at 10.00. We do not set up the day before anymore and we start at 8.00am. With enough people, two hours is enough time to do it, but we need the help. You all turn up to see your dogs run and enjoy themselves and, with a little bit of help from you it would be a pleasant day for all. I start setting up at 8 a.m. and am still there at 6.00pm packing up. There are many jobs to do during the day, like collecting ring steward two or three helping for half an hour at a time could help, plus the huntmaster job if someone can help on that, we will tell you what you have to do as its not rocket science. Please come forward and offer your help for half an hour or so.

Any one with a Whippet that is at a loose end on Sunday the 29th July. South West Whippet Club are running a Fun Day at Ugbrooke House, Chudleigh by kind invitation of Lord & Lady Clifford. The house is situated just off the A380 Nr Newton Abbot. Gates open at 9.30am with the events starting at 10.00. We are one of the attractions by running a small lure course event at about 12.30. Cost of entry to the event is £6.00 per car. There is some super home made refreshments at very reasonable prices and it really is a super day out.

Hi Gary

Thanks for another great day - we were really pleased with our little fella - 'Big Bruva Strykes' and couldn't beleive it when we saw he'd won BOB & BIF as it was his first time lure coursing!
