## Secretary's Report

Only one more meeting left this year, where has the season gone! This issue will be for July through to September, as we forgot about the August Issue. The entries are staying up at the 90 hounds and with the last two meetings we had ninety pre entered, although a few did not make it. As I said in the last Newsletter those not there by 11.00am can forfeit their runs, if others are there to take your place. If you are going to be late due to traffic you should phone and let someone know of your problem, so we can make sure you do not lose your runs. My mobile is 07971246596, use it to let me know of your problem, but if you are not there by 12.30pm you would only get the afternoon run, this is as long as it is a problem with traffic, and not you starting out late.

Congratulations to the three **Best in Field winners**. July was Mr.J.Jones *Masai Warrior* for the second time. August was Gay Robertson's *Moonlake More of a Splash* after a run off with Gay's *Moonlake Must be Cool*. September was a repeat of May and July with *Masai Warrior* going Best in Field. All these are Whippets.

**We still need more help during the meeting.** We cannot run without a Huntmaster or a Collecting Ring Steward to get the dogs in the next course out to the field, who will also tell the judges the number of the dog with red jacket first followed by white jacket. The Huntmaster will get the dogs and owners ready for the course, signal to the lure operator that all is ready, then shout "Tally Ho" when the lure has gone about 10 metres in front of the dogs. He then stands by the line coming into the machine ready to cut the line if the judges or lure operator see a dog entangled with the line, this happens very rarely, but you have to be ready.

This should be done with a number of people taking it in turn. If your course is number 25, please spend half an hour doing one of these jobs, then you can hand over to someone that has already run their dog. The more people that come forward to do a stint the better it is for all, as without this help we cannot run the meeting. This is your club and your dogs enjoy the freedom of running which is their natural instinct, so do not deprive them of this for a bit of your time. This is aimed at everyone that attends our meetings, but we have to make the plea at each meeting, so **please help us and yourself** by volunteering to do one of the jobs.

**Lure Courser of Merit** has been awarded to Dave & Allison Crane's Saluki *Leila*, who has obtained the 200 points and at least 3 BOB.

*For the new members the information on the LCM set up:*

As requested by a number of people I will reprint the details for the Lure Courser of Merit. **The Lure Courser of Merit will be awarded to any Hound that gets 3 Best of Breeds in Field, and obtains at least 200 points.**

Dogs must run in pairs if there are the minimum of four hounds entered. This was introduced to encourage the smaller numerically breeds to come and try lure coursing. Single dogs running can not get BOB or BIF.

To get a BOB your hound has to obtain the maximum points from the number of hounds that are registered for the breed on that day, with a minimum of four entered. There is a scale of points for the number of hounds beaten up to a maximum of 10 hounds. To help the numerically

continued from Page 1

large breeds we give up to two BOB awards if the number in a single breed has over thirty hounds running.

**Best In Field** is awarded to the hound with the highest score, but it must have run as a part of a pair.

The points are gained by the best scores in each breed, and are awarded as follows :

No HOUNDS	POINTS					
4 Hounds	16	12	8			
5 Hounds	20	15	10			
6 Hounds	24	18	12	6		
7 Hounds	28	21	14	7		
8 Hounds	32	24	16	8	6
