SECRETARIES NOTES.

The twenty first season started off very well with beautiful spring weather, lovely sunshine and little wind. This faired well for the large entry we had, with the customary absentees. We had a very large number of trials to get through before we could start the competition runs. This all fairs well as many of the trials dogs ran well, so we hope they will join us at future meetings. I must thank Ness for running the lure in the morning and David for running the afternoon session, this cleared me to judge with Keith Harvey. Thanks for the help inputting the results in the morning session, unfortunately the afternoon ones were not put in until I finished judging. This oversight will be corrected at future meetings. Sorry that the PA was not working, this is being looked at ready for the Easter meeting.

I must thank Craig for getting the motor bike to run again, thankfully the course ran very well and only came off the pullies on a couple of occasions, so the bike was not missed too much.

I am still looking for someone to come forward to run the BSFA in the near future, as 2010 will be my last season. If someone does not come forward to take over the BSFA will close at the end of 2010!!

Congratulations to all the class winners on Sunday along with the BoB winners and the whippet going Best in Field Mr.Dawes Willow's Delight.

We have two Deerhounds that

gained their Lure Courser of Merit at this meeting, Packway Aconcaqa and Packway Denali at Hartvalley at this meeting. Well done as these are the first two Deerhounds to win this award.

At the AGM it was agreed that a new award, the Grand Lure Courser of Merit would be given to any hound that gains 400 points and six BOB. We had four winners two Afghans: Int.Ir.Svn.Ch.Shadowfax Ciao Aquilo JW and Fin.& Ir.Ch.Shadowfax Stepnoi Veter, Saluki Soraya and the Basenji Maridadi Kibwana. The Best Veteran in each breed would be arrived at by best placements in the veteran classes, instead of points as it was previously.

Please remember to get your entries in seven days before the meeting. This is very important for the smooth running of the meeting. We are looking at again at making entries on line with PayPal payment. At the moment there is a problem with setting this up, hopefully this can be sorted.

We still need people to get to the meeting early, to help set up. It takes about two hours to set it up but with more help in would be quicker. There are important items, the horse box to be emptied, the towers to be erected, a large hole to be dug for the effluent from the toilets, the orange fencing to be erected along the main course area, the toilet tents to be erected, water and chemicals put in the loos.
